Journal of Ethnopharmacology, 26 (1989) 325–326
Elsevier Scientific Publishers Ireland Ltd.

SUBJECT INDEX
Volume 26

Abortifacient activity of an aqueous extract of *Spondias mombin* leaves, 317
Acaricidal properties of extracts from *Uraria picta* (Leguminosae), laboratory evaluation of, 293
Ammi majus and *Trigonella foenum-graecum*, effects of on calcium oxalate urolithiasis in rats, 249
Antimicrobial activities of some *Ocimum* species grown in Rwanda, 57
Antimicrobial activity and pharmacological screening of the essential oil of *Artemesia caerulescens* subsp. *gallica*, 197
Anti-inflammatory activity of some Iraqui plants using intact rats, 163
Artemesia caerulescens subsp. *gallica*, pharmacological screening and antimicrobial activity of the essential oil of, 197
Artimesia capillaris bud extracts, vasculor dilatory action of and their active constituent, 129

Betel cytotoxicity, 217
Bronchorelaxant effect, in vivo and in vitro, in guinea pigs of joshina, a herbal polypharmaceutical, 183

Catecholamines, plasma, effect of Shosaikoto on, 271
China, Ancient, medical uses of mylabris in, and recent studies, 147
Contraceptive and related plants, use of by the Kapayo Indians, Brazil, 299
Croton pendulifloris seed oil, effect of the gut-stimulating principle on the central nervous system, 111

Diarrhoea, study of Rwandese medicinal plants used in the treatment of, 101
Dioda scandens, preliminary study of an extract from, on some toxic effects of *Echis carinatus* venom, 189

Echis carinatus, preliminary study of an extract of *Dioda scandens* on some toxic effects of, 189
Ethnopharmocological analysis of medicinal plants used by Laotian Hmong refugees in Minnesota, 65
Eupatorium laeve, indigo from, 93

Fraxinus excelsior leaf extracts, physicochemical and pharmacological properties of spray-dried powders from, 211

Gut-stimulating principle in *Croton pendulifloris* seed oil, effect of on the central nervous system, 111

Hepatoprotective principle of *Hypoestes triflora* leaves, 121
Hyperlipidemia in rats, experimental, effect of Shosaikoto, Daisaikoto and Sannoshashinto (traditional Japanese and Chinese medicines on, 255
Hypoestes triflora leaves, the hepatoprotective principle of, 121
Hypoglycemic activity, medicianl plants with, 1

Immunomodulatory compounds from *Picrorhiza kurroa:* isolation and characterization of two anti-complementary polymeric fractions from an aqueous root extract, 169
Indigo from *Eupatorium laeve*, 93
Iraqui plants, anti-inflammatory activity of, using intact rats, 163

Joshina, a herbal polypharmaceutical, in vivo and in vitro bronchorelaxant effect in guinea pigs of, 183

Kapayo Indians, Brazil, use of contraceptive and related plants by, 299
Kushtas, lead content of, 287

Ladakh, India, medicinal system of, 137
Laotian Hmong in Minnesota, Medicinalsystem of Ladakh, India, 137
Mylabrism, medical uses of in Ancient China and recent studies, 147

Ocimum species, grown in Rwanda, antimicrobial activities of, 57

Pharmacological screening and antimicrobial activity of the essential oil of *Artemesia caerulescens* subsp. *gallica*, 197
Pharmacological and physicochemical properties of spray-dried flowers from *Fraxinus excelsior* leaf extracts, 211
Physicochemical and pharmocological properties of spray-dried powders from *Fraxinus excelsior* leaf extracts, 211
Picrorhiza kurroa, immunomodulatory compounds from, 169

Rwanda, antimicrobial activities of some *Ocimum* species grown in, 57
Rwandese medicinal plants used in the treatment of diarrhoea, 101

Senegal, studies on some medicinal plants of: effects on isolated guinea pig ileum, 205
Shoshaikoto, Daisaikoto and Sannoshashinto (traditional Japanese and Chinese medicines) on experimental hyperlipidemia in rats, 255
Shoshaikoto, effect of on plasma catecholamines, 271
Spondias mombin leaves, abortifacient activity of an aqueous extract of, 317

Talauma ovata St. Hil. (Magnoliaceae), chemical and pharmacological studies on, 277
Trigonella foenum-graecum and *Ammi majus*, effects of on calcium oxalate urolithiasis in rats, 249

Uraria picta (Leguminosae), laboratory evaluation of the acaricidal properties of extracts from, 293
Urolithiasis, calcium oxalate, in rats, effect of *Trigonella foenum-graecum* and *Ammi majus* on, 249

Vascular dilatory action of *Artimesia capillaris* bud extracts and their active constituent, 129
